

Montessori for Beginners

Tuesday 9 May 2017

An Introduction to Montessori Education

How does the philosophy translate to an education system

What is a materials based learning and teaching system

Specifically designed for all new starter, waitlist and prospective families. Montessori theory and practices will be explained for all stages of a Montessori program:

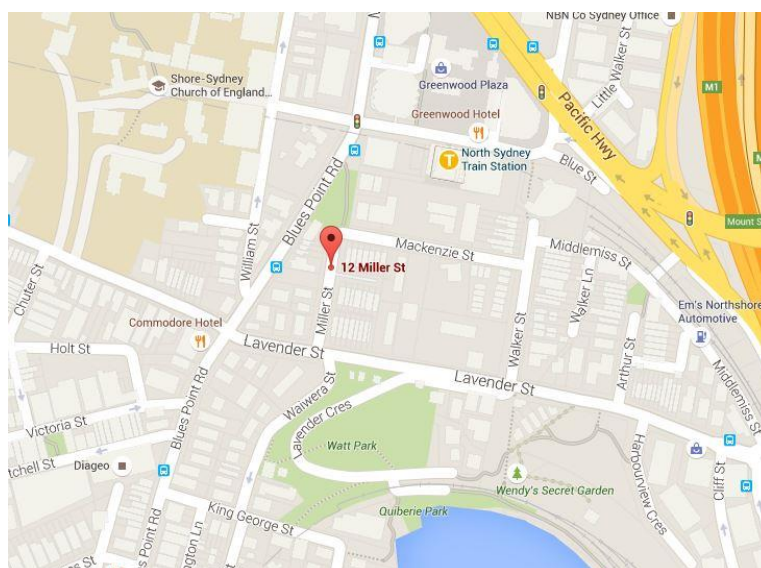

Under 3s, Preprimary and Primary.

Take this opportunity to ask about the program, enrolments, and to speak directly to the teachers and Principal. We look forward to seeing and inspiring you!
